Storage

Must be stored in tanks of fiberglass, other synthetics, acidproof stainless steel or other materiel that will not corrode. Store at a safe distance from water ressources. Spillage must be collectable. Neutralize with lime.

Personal protection

Avoid skin- and eye-contact. Avoid inhalation of mist. Use gloves and eye protection.

By skin-contact wash with plenty of water. Seek medical attention if discomfort continues.

By eye-contact wash with water for at least 15 minutes. Seek medical attention immediately.

Use

This fertilizer contains nutrients in complex form. The nitrogen is inhibited to minimise evaporation. Special formulation. Reseller instructions should be followed to keep nutrients inhibited. Test on small area first. Avoid overdosing.
